**SAVF Verander lewens - SAVF Changing Lives**

<p><b>SAVF is a community-driven organization</b> for many years. Social relief and support form part of our mission. All our ECDs had to close the doors during the COVID-19 period, leaving our children at great risk of abuse and hunger. Our social workers continue with services from home, and are available for intervention and support.</p> <p><b>Currently we experience a huge need for food to distribute in the communities known to us.</b> We have therefor created “SAVF Social Relief Drop-off points” <b>where a person from the community can donate food or toiletries</b> which we will distribute to the needy.</p> <p><b>Financial donations</b> may also be made to the SAVF NPC account for distribution to SAVF facilities to enable the distribution of food parcels. Sec 18A certificates are available on request.  <a href="http://www.savf.co.za">www.savf.co.za</a> - 012 325 3920</p>	<p><b>SAVF is ‘n gevestigde gemeenskapsgedrewe organisasie.</b> Maatskaplike verligting en ondersteuning vorm deel van ons missie. Al ons kleuterskole moes deure gedurende die COVID-19-periode sluit, waardeur sommige kinders blootgestel is vir mishandeling en honger. Maatskaplike werkers gaan voort met dienste van die huis af en is beskikbaar vir ingryping en ondersteuning.</p> <p><b>Tans ervaar ons 'n groot behoefte aan voedsel om in die gemeenskappe wat aan ons bekend is, te versprei.</b> Daarom het ons “SAVF Maatskaplike Hulppunte” geskep <b>waar 'n persoon uit die gemeenskap kos of toiletware kan skenk</b> wat SAVF aan behoeftiges sal versprei.</p> <p><b>Finansiële skenkings</b> kan ook gemaak word aan die SAVF NPC-rekening om die verspreiding van kospakkies moontlik te maak. Art 18A-sertifikate is op aanvraag beskikbaar.  <a href="http://www.savf.co.za">www.savf.co.za</a> – 012 325 3920</p>
